MINUET

LIFESTYLE SERIES

Versatile Computing for Compact Spaces

Antec's newest LifeStyle case is stylish, elegant, and packs a full range of performance features into a remarkably slim profile. This attractive Micro PC case can fit almost anywhere, stand up as a slim tower with its included brackets, integrate into your A/V setup, or travel easily to your next LAN party. And with more and more manufacturers releasing full performance microATX components, Minuet's design is right for a broad range of applications.

However you need to use it, it's easy to find the right place for Minuet.
